RID: 47th Session of the Committee of Experts on the Transport of Dangerous Goods (Sofia, 16 - 20 November 2009)

Subject: Aerosol dispensers – reference to standards in 6.2.6.4

Proposal transmitted by the European Aerosol Federation (FEA)

1. The secretariat received the following information from the representative of FEA.

3. This directive must be transposed in the Member States’ national legislation by 29 October 2009 and new provisions shall apply as from 29 April 2010.

4. The update is primarily related to the alignment with the provisions of the UN GHS and UN Manual of Tests and Criteria.

5. The RID Committee of Experts is invited to advice on the best way of having this directive referenced in sub-section 6.2.6.4 (reference to standards).

6. The new text would be (next text is underlined):

"6.2.6.4 Reference to standards

The requirements of this section are deemed to be met if the following standards are complied with:
