

INF. 3

20 October 2019

(English only)

RID: 11th Session of the RID Committee of Experts' standing working group
(Vienna, 25 to 29 November 2019)

Subject: Agenda item 6 (Report of the working group on tank and vehicle technology): retrieval of BASF risk assessment documents

Information transmitted by CEFIC

1. Following the discussion on the "BASF risk assessment" at the 17th session of the RID Committee of Experts' working group on tank and vehicle technology (Ludwigshafen, 14 to 16 October 2019), BASF offers to provide interested agencies with
 - (a) the presentation given by Professor M. Hecht,
 - (b) informal document INF.4 of the 17th session of the RID Committee of Experts' working group on tank and vehicle technology and
 - (c) the technical report of the TU Berlin.If you require these documents, please request them by email or call Mr. Marc Schröder (marc-frederic.schroeder@basf.com/+49 621 60-59861).
2. Upon request, a Cloud link and password will be provided to retrieve the documents.
3. Furthermore, BASF offers to assist with technical questions as well as with the translation of technical terms.
4. Due to confidential content regarding the extra-large tank-containers and the innovative container carrying wagons in the presentation and the report, certain information has been deleted to avoid the transfer of know-how to third parties.
5. The presentation and report are distributed by BASF only. Any transfer to third parties must be authorised by Mr. Marc Schröder.
6. The discussion of agenda item 6 (Report of the working group on tank and vehicle technology) will take place on Thursday, 28 November 2019.
