**TO THE MEMBER STATES AND ASSOCIATE MEMBERS OF OTIF AND TO
REGIONAL ORGANISATIONS WHICH HAVE ACCEDED TO COTIF**

Invitation to the 47th session of the working group Technology (WG TECH)

Berne (hybrid meeting), 7 September 2022

The OTIF Secretariat invites you to the 47th session of the working group Technology on

7 September 2022: 9:30 – 17:00 (CEST)

The session will be held as a hybrid meeting.

Delegates will be able to attend the meeting in person in Berne, unless this becomes impossible due to new restrictions in connection with the COVID-19 pandemic. In any case, delegates will be able to attend remotely using MS Teams. For those who attend in person, the session will take place at

**OTIF,
Gryphenhübeliweg 30,
3006 Berne, Switzerland.**

The provisional agenda can be found in Annex 2 to this invitation. The agenda items for this working group concern the preparation of documents for decision by the Committee of Technical Experts (CTE). It is therefore important that as many of the Member States as possible participate.

The documents for the session will be placed on OTIF's website (www.otif.org) four weeks before the meeting under:

[Activities](#) > [Technical Interoperability](#) > [Working Group Tech](#) > [Working Documents](#) > [2022](#)

On the basis of Article 16 § 5 of COTIF, the Secretary General invites the states, organisations and associations listed in Annex 1 in an advisory capacity, subject to the agreement of a majority of the Member States. Member States are asked to send the Secretariat any objections they may have concerning this invitation by no later than **12 August 2022**. The Secretary General will assume the tacit agreement of the Member States that do not object.

In accordance with Article 23 of the Rules of Procedure of the CTE applicable from 22 June 2021 and the decision taken by the CTE at its 3rd session in February 2009, sessions of the WG TECH are held in English only.

Member States, associate members, regional organisations that have acceded to COTIF and organisations and associations invited to the session are asked to register using the digital registration form on the OTIF website under:

[Events](#) > [Registration form](#)

The completed form should be submitted by **23 August 2022** at the latest. For logistical reasons it is important that delegates indicate whether they will attend the meeting in person or remotely.

Further information on how to participate in the remote meeting will be provided to registered delegates before the meeting.

Yours faithfully

(Wolfgang Küpper)
Secretary General
