Depositary notification

Slovakia and Macedonia (FYR) – Approval of the amendments to COTIF and Appendices D, F and G adopted by the 12th General Assembly

In his capacity as the Depositary, the Secretary General of the Intergovernmental Organisation for International Carriage by Rail (OTIF) notifies you of the following information:

On 30 April and 1 May 2018 respectively, Slovakia and Macedonia (FYR) deposited their instruments of approval of the amendments to COTIF and Appendices D, F and G adopted by the 12th General Assembly in September 2015.

These instruments were not accompanied by any declarations.

In accordance with Article 34 § 2 of COTIF, the amendments to the Convention adopted by the 12th General Assembly will only enter into force twelve months after they have been approved by two thirds of the Member States in accordance with their national law, i.e. at present once 31 Member States have approved them.

In accordance with Article 34 § 3 of COTIF, the amendments to Appendices D (CUV), F (APTU) and G (ATMF) adopted by the 12th General Assembly will also only enter into force twelve months after they have been approved, in accordance with their national law, by half the States that have not made a declaration in accordance with the first sentence of Article 42 § 1 of COTIF, i.e. at present once 21 Member States have approved them.

At present, 33 months after the 12th General Assembly held in September 2015, only eleven States have completed the formalities required for the amendments to enter into force.

Owing to the relatively limited extent of these amendments compared with the amendments to COTIF in the version of the Vilnius Protocol adopted by the 5th General Assembly, the Secretary General would welcome these amendments entering into force as soon as possible.

Rapid entry into force of the amendments adopted by the 12th General Assembly would enable the provisions of COTIF and its Appendices to be aligned as soon as possible with the amendments already adopted by the 25th session of the Revision Committee, which have been in force since 1 July 2015.

In accordance with Article 34 § 4 of COTIF therefore, the Secretary General urges the Member States to send him as soon as possible their notifications concerning approval – in accordance with the applicable national procedures – of the amendments to the Convention and to Appendices D (CUV), F (APTU) and G (ATMF) adopted by the 12th General Assembly.
