

Tourism and Transport

The “1st World Conference on Smart Destinations” organised by the World Tourism Organization was held from 15 to 17 February 2017 in Murcia, Spain. The WTO is a specialised agency of the United Nations responsible for the promotion of responsible, sustainable and universally accessible tourism.

At the invitation of the WTO, the Secretary General of OTIF had the opportunity at this global conference to contribute during the session dealing with the challenge of multimodality ([Video](#) from 2:36:00). The Secretary General explained how OTIF’s regulations can provide a suitable framework to establish multimodal services.
