

## Extraordinary measure within the OTIF Secretariat

The Secretariat of OTIF is closely following developments concerning the coronavirus disease (COVID-19) and is complying with the recommendations and measures of the World Health Organization (WHO) and the Federal Office of Public Health of the Swiss Confederation (the Host State).

From today, Tuesday, 17 March 2020, the Secretary General, Mr Wolfgang Küpper, has decided in accordance with the Staff Regulations that all staff of the Organisation will work at home up to and including 31 March 2020, subject to further developments.

The Secretary General has taken this extraordinary cautionary measure in view of the sanitary risk and in the interest of the staff and public health and safety.

All members of the OTIF Secretariat can be reached by email or telephone. Teleconferences can be organised with delegates and stakeholders.

The Secretariat of OTIF is making every effort to ensure that service continues as usual.

The Secretariat of OTIF will keep you informed of any new measures.
