

136th Session of OTIF's Administrative Committee

OTIF's Administrative Committee will hold its 136th session (hybrid) on 31 August and 1 September 2022. Belgium, in the shape of Ms Clio Liégeois, will chair the Committee.

The Administrative Committee will discuss some important issues, including the financial management report for the 2021 financial year and the projected budgets for 2023 and 2024. The status of the project to renovate OTIF's headquarters and the progress made on the Luxembourg Rail Protocol will also be discussed.

The Administrative Committee is the supervisory body for the activities of the Secretary General in his capacity as head of the Secretariat (Article 15, COTIF 1999). In addition to its role of providing guidance and strategic reflection by validating the work programme, it has broad management prerogatives.

The Administrative Committee is composed of one third of the Member States of OTIF, who are appointed by the General Assembly for three years, and it meets at least once a year. The Member State that chairs the Administrative Committee is also elected by the General Assembly.
