

Warsaw: high-level meeting

On 21 March 2023 in Warsaw, the Secretary General of OTIF, Mr Wolfgang Küpper, met the Secretary of State at Poland's Ministry of Infrastructure, Mr Andrzej Bittel.

Among other things, they discussed the latest developments for the railways in Poland, the organisation of the railway sector and the consequences of the war in Ukraine.

They discussed the importance of developing international rail transport and, with a view to this, the cooperation between OTIF and the Organisation for Cooperation between Railways (OSJD).

Mr Aleksandr Kuzmenko, head of the OTIF Secretariat's Legal Department, also took an active part in the meeting.

The Secretary General of OTIF welcomed this high-level meeting and warmly thanked Mr Andrzej Bittel for the quality of their discussions.
