RID: 49th Session of the Committee of Experts on the Transport of Dangerous Goods
(Luxembourg, 2 - 4 November 2010)

Subject: Carriage of dangerous goods in limited quantities – affixing smaller markings to
wagons

Proposal transmitted by the International Union of Railways (UIC)

1. At the 48th session of the RID Committee of Experts (Berne, 19 and 20 May 2010), it was pointed out to the representative of UIC that if he considered it necessary, he could submit a proposal to amend 3.4.15 to allow the possibility of affixing smaller markings to wagons in the context of the general rule applicable to placards in 5.3.1.7.4.

2. UIC has followed this advice from the RID Committee of Experts and proposes that the following sentence be added to the end of 3.4.15:

"The dimensions of the markings to be affixed to wagons may be reduced to 150 mm x 150 mm."

For reasons of cost, only a limited number of copies of this document have been made. Delegates are asked to bring their own copies of documents to meetings. OTIF only has a small number of copies available.
