Original: German

RID: 51st Session of the Committee of Experts on the Transport of Dangerous Goods
(Berne, 30 and 31 May 2012)

Subject: Correction of an editorial error in RID 1.6.3.41

Proposal submitted by the International Union of Private Wagons (UIP)

Proposal

1. UIP has discovered an editorial error in 1.6.3.41 in the reference to 6.8.2.5.2 (information on both sides of the tank-wagon) and requests the RID Committee of Experts to amend the wording of the transitional provision in 1.6.3.41 (RID 2013) as follows (amended text is crossed out):

"**1.6.3.41** Tank-wagons constructed before 1 July 2013 in accordance with the requirements in force up to 31 December 2012, but which do not, however, meet the marking provisions of ~~6.8.2.5.2~~ or 6.8.3.5.6 applicable as from 1 January 2013, may continue to be marked in accordance with the requirements applicable up to 31 December 2012 until the next periodic inspection after 1 July 2013."

Justification

2. The transitional provision wrongly refers to RID 6.8.2.5.2, although no substantive amendment has been made to that paragraph of RID.

For reasons of cost, only a limited number of copies of this document have been made. Delegates are asked to bring their own copies of documents to meetings. OTIF only has a small number of copies available.
