INF.12

14 May 2012

Original: German

RID: 51st Session of the Committee of Experts on the Transport of Dangerous Goods
(Berne, 30 and 31 May 2012)

Subject: Inclusion of a definition of "ECE Regulation"

Proposal transmitted by the Secretariat

1. The 2013 edition of RID will include a new special provision 660 for the carriage of fuel gas containment systems fitted in motor vehicles (see document [OTIF/RID/NOT/2013]).
2. Paragraph (a) of this special provision refers to various ECE regulations.
3. For this reason, a definition of "ECE Regulation" should be included in RID 1.2.1, as in ADR.

Proposal

4. **1.2.1** Insert the following new definition:

"ECE Regulation" means a regulation annexed to the Agreement concerning the adoption of uniform technical prescriptions for wheeled vehicles equipment and parts which can be fitted and or used on wheeled vehicles and the conditions for reciprocal recognition of approvals granted on the basis of these prescriptions (1958 Agreement, as amended);".

For reasons of cost, only a limited number of copies of this document have been made. Delegates are asked to bring their own copies of documents to meetings. OTIF only has a small number of copies available.
