Subject: NHM Codes

Proposal transmitted by the International Union of Railways (UIC)

1. In Chapter 3.2, Table B, in the first sentence under the heading "Column 'NHM-Code'", amend "(Annex 3 to UIC-leaflet 221)" to read:

"(UIC leaflet 221¹)

¹ The NHM codes can be consulted on the UIC website under <http://www.uic.org/spip.php?article2485>."

After this first sentence, insert the following two sentences:

"The NHM codes consist of eight figures. The codes shown in this Table are limited to six figures, as prescribed in the CIM consignment note."

For reasons of cost, only a limited number of copies of this document have been made. Delegates are asked to bring their own copies of documents to meetings. OTIF only has a small number of copies available.

2. Replace the first amendment instruction concerning section 3.2.2 Table B in document OTIF/RID/CE/GTP/2013/17 as follows:
