RID: 5th Session of the RID Committee of Experts' standing working group
(Zagreb, 23 - 27 November 2015)

Subject: Container/vehicle packing certificate

5.4.2 Container/vehicle packing certificate

If the carriage of dangerous goods in a container precedes a voyage by sea, a container/vehicle packing certificate conforming to section 5.4.2 of the IMDG Code shall be provided with the transport document. If the carriage of dangerous goods in a vehicle precedes a voyage by sea, a container/vehicle packing certificate conforming to section 5.4.2 of the IMDG Code may be provided with the transport document.

The functions of the transport document required under 5.4.1 and of the container/vehicle packing certificate as provided above may be incorporated into a single document, if not, these documents shall be attached one to the other. If these functions are incorporated into a single document, the inclusion in the transport document of a statement that the loading of the container or vehicle has been carried out in accordance with the applicable modal regulations together with the identification of the person responsible for the container/vehicle packing certificate shall be sufficient.

Note 1: The container/vehicle packing certificate is not required for portable tanks tank-containers and MEGCs.

Note 2: For the purposes of this section the term "vehicle" includes wagon.
