

Multilateral Special Agreement RID 2/2012

under section 1.5.1 ADR
concerning the type approval of accessories for tanks in accordance with Chapter 6.8

- (1) By derogation from the provision of 6.8.2.3.1 RID the competent authority or a body designated by that authority may carry out a separate type approval of valves and other service equipment for which a standard is listed in the table in 6.8.2.6.1, in accordance with that standard. This separate type approval shall be taken into account when issuing the certificate for the tank, if the test results are presented and the valves and other service equipment are fit for the intended use.
- (2) This agreement shall be valid until 31 December 2012 for carriage on the territories of the RID Contracting States signatory to this Agreement. If it is revoked before that date by one of the signatories, it shall remain valid until the above mentioned date only for carriage on the territories of those RID Contracting States signatory to this Agreement which have not revoked it.
