Multilateral Special Agreement RID 2/2019

concerning the carriage of substances under UN No. 3316 CHEMICAL KIT or FIRST AID KIT
in relation to special provision 671 and 1.1.3.6

- (1) By derogation from the provisions of RID applicable to UN No. 3316 under special provision 671, kits assigned to UN No. 3316 containing only dangerous goods to which no packing group is assigned shall be allocated to transport category 2 for the completion of transport documents, and the exemption related to quantities carried per wagon or large container (see 1.1.3.6).
- (2) The consignor shall enter in the transport document “Carriage agreed under the terms of section 1.5.1 of RID (2/2019)”.
- (3) This Agreement shall be valid until 31 December 2020 for the carriage on the territories of the RID Contracting States signatory to this Agreement. If it is revoked before that date by one of the signatories, it shall remain valid until the above mentioned date only for carriage on the territories of those RID Contracting States signatory to this Agreement which have not revoked it.
